

## 2021 ERCU Covid Precaution Guidelines

- ERCU pits shall be staked and taped to limit access to only ERCU members
- Until physical distancing is no longer required, ERCU will NOT use its scaffolding for an elevated drivers stand and all drivers will control their boats from the ground
- ERCU will maintain a log of all guests who enter the pits to support contact tracing if needed. Race registration will suffice as the log of members who enter the pits
- If a member is not feeling well or has a fever, that member must stay home and not attend the event
- Each club member is asked to sanitize common surfaces, computers, printers, hand-held radios, microphone, other common equipment, etc., before they leave a workstation. Sanitizing supplies will be provided by ERCU
- All participants must (under the Governor's executive order) wear face masks of their choice (self-provided)
- All participants should supply hand sanitizer or wipes of their own for personal use
- Social distancing practices will be required at ERCU events until the state of Washington provides the "all-clear" from Covid precautions
  - Pit canopies and tables should be set up no less than 6 feet from the next one
  - All heats will be limited to no more than four boats in order to maintain social distancing in the driver's area
    - If there are just five registered boats in a class, two boat heats will be allowed in order to allow all to compete
- While handling boats, all ERCU members shall take personally preferred proper precautions to stay safe and healthy
- Handwashing – to the best extent possible – shall take place using soap and water when available
  - The club will make every effort to supply hand sanitizer and/or wipes for members to use for hand-cleaning throughout the day
  - The club will provide a poster of how and when to use handwashing practices
- Sanitizing surfaces and club equipment will be required regularly throughout the day
  - ERCU will provide disinfecting wipes and disinfecting spray for use on the club computer and all club equipment surfaces
- Season points will be accumulated, as usual, at every race during the 2021 Racing Season
- The ERCU Triple Crown Series will be conducted in full
- Adjustments to this plan will be made according to ongoing pandemic conditions
