### **BIG BOAT NEWS: TIDBITS AS SEASON'S END APPROACHES**

As the season draws to a close, tidbits of news are relevant for review before the final race of the season - the UIM World Championship Oryx Cup in Doha, Qatar.

### Washington D.C. exhibition

Air National Guard hydroplanes returned to the Potomac River and the nation's capital for the first time in more than 30 years with a four-team exhibition on Friday, Sept. 23.

Washington D.C.'s National Harbor hosted the Air National Guard Series exhibition and display featuring the U-7 Valken.com, U-5 Graham Trucking, 88 Degree Men and U-1 Oh Boy! Oberto.

Unfortunately the weather did not cooperate, but the boats did get some time on the water.

The exhibition could mark the return of the President's Cup to the Air National Guard Hydroplane Series schedule in 2012. National Harbor is a development that will provide an excellent venue for the Air National Guard series with access to the Potomac and lots of opportunities for fans to see the boats up close.

The boats were displayed through the weekend during the Oktoberfest at National Harbor. The key in getting approval for the exhibition was a commitment from H1 Unlimited to hold a race at the site in June 2012. Provided the logistics and exhibition meet everyone's approval, the Air National Guard teams will again compete for the historic President's Cup trophy.

Deeded to American Power Boat Association (APBA) in 1937, the President's Cup trophy was last won by the late **Bill Muncey** in 1977 in the Atlas Van Lines. The President's Cup was run between 1926 and 1977 in and around the nation's capital.

William A. Rogers convinced the members at the Corinthian Yacht Club to host the race and President Calvin Coolidge to sponsor the trophy.

### Villwock dominates San Diego

**Dave Villwock** capped a perfect weekend with the U-96 Spirit of Qatar to capture the Air National Guard Championship at San Diego Bayfair.

In completing the sweep Villwock captured the 2011 National Championship for the boat and driver, and earned the lead in most wins by a hull (25 so far) for the Spirit of Qatar (master hull roster number 0116) hull of Elstrom Racing.

Kip Brown finished in second place aboard

the Miss Red Dot, wishing for about 10 more miles per hour to keep up with the U-96.

The defending national champion Oh Boy! Oberto settled for third place, due mostly to the newly-instituted draw for lanes that put the U-1 in the outside lane in the final after winning three preliminary heats.

Fourth place went to the U-7 Valken and rookie Scott Liddycoat. J. Michael Kelly finished in the fifth spot with the 88 Degree-Men, followed by the U-5 Graham Trucking and Jeff Bernard.

Consolation winner J.W. Myers and the U-11 Peters & May entered the final as the trailer and finished in seventh spot. Full results can be found at www.hlunlimited.com

### **Boats Heading East**

Following the San Diego race and the Washington D.C. exhibition, the top ten points boats convened in Jacksonville, Fla., for the third annual trip to Qatar for the Oryx Cup season finale on November 17-19.

The boats are scheduled to arrive in Doha on November 4. Two other boats, the U-22 and U-25, have been decked out in Oryx Cup and Peters & May livery and have made a stop in Abu Dhabi to take part in the meeting of the general assembly of the UIM during the week of October 16.

Following this, the two boats will trek the 300-plus miles over to Doha to join the rest of the fleet for the Oryx Cup.

**Jimmy Shane** has been named to replace **N. Mark Evans** as driver of the U-57 Formula Boats in Doha, as Mark has business conflicts that prevent him from attending.

### **Big Boats on TV**

Starting with the Madison Race on October 9, Sundays at 1 p.m. (Pacific) on cable channel Versus will be featuring one-hour specials of each of this year's series races. The Lamb Weston Columbia Cup is the next race up, this Sunday, Oct. 30.

Veteran NBC sports commentator **Bill Weber** and former U-7 driver **Mike Allen** 

The fifth race will air on November 6, followed by an H1 Unlimited special presentation on November 13. The Oryx Cup will be shown on December 25.

# Oryx Cup "Night at the Museum"

The Hydroplane and Raceboat Museum will again be hosting a "Midnight Special" to air the Oryx Cup live.

The race will start Friday night November 18 around midnight and end with the final around 6 a.m. Saturday. More information on this event can be found on the museum website www.Thunderboats.org as the date approaches.

### **ERCU RUMOR MILL**

At least two owners who held off on doing major body and paint work to their boats last season have pledged total facelifts on those boats this season, as Gerry Bordon and Nelson Holmberg have committed to bodywork repairs and new paint iobs to the 1970 Parco's O-Ring Miss and the 2010 Formula Boats, respectively . . . A total of seven boats

have already been posted for sale on the ERCU website, including Jeff Campbell's Pay 'n Pak fleet, Mike Gossler's 1/10-scale 1978 Miss Circus Circus, Holmberg's Leland turbine hull that's nearly complete, and Craig Bradshaw's 2010 Miss Peters & May, along with Bettie Bradshaw's 2010 Oh Boy! Oberto . . . Bradshaw is also refurbishing his 1989 Winston Eagle and prepping it for 2012, and has build a new 1958 Coral Reef, converting the old one to a plug for a mold for other new boats.

### **NEWS BRIEFS**

### New Contest Board members elected for 2011-12 season

The 2011 ERCU Contest Board elections have been finalized and two new board members have been chosen to serve the club, Chairman Ron Daum announced.

**Gerry Bordon**, who served out the remaining year of an unexpired term he was appointed to during the 2010-11 board year, was elected to a full two-year term in this year's elections.

Joining Bordon in this year's elections are **Craig Bradshaw** and **Nels Enquist**. For both, it's their first term on the ERCU Contest Board.

'While I'm certainly excited about the new board members, I really want to thank outgoing members Judy Fenton and Gary Simmons for all of their hard work and care in helping to guide the club over the last two years," Daum said.

The three recently-elected board members join Daum. **Nelson Holmberg. Ben** Keller and Scott Fetterly to complete the 2011-12 board. Positions will be assigned or agreed to at an organizational meeting of the board, which Daum said he expects to hold at some point before the end-of-season banquet that's scheduled for November 5 at the Old Spaghetti Factory in Southcenter.

### **CHAIRMAN'S CHATTER**

Our ninth season of 1/10-scale RC racing is rapidly coming to a close and some congratulations are in order: First to our season champion Mike Campbell driving his 1986 The Boat in the modern class and Ben Keller's 1957 Hawaii Ka'i III in the vintage class and second but equally important to our membership as a whole and their families who helped make this 2011 season one of our best. Well done every-

The end of a season also heralds the coming of the next and so brings us to our annual Hails and Farewells: Hail and congratulations go out to our newly-elected Contest Board members: Gerry Bordon, Craig Bradshaw and Nels Enquist, welcome aboard. Farewell (but not goodbye) and a big thank you for a job well done to our outgoing board members Judy Fenton and Gary Simmons. Our last act of the 2011 season is the Awards Banquet to be held on Saturday, Nov, 5 at the Southcenter Old Spaghetti Factory starting at 6 p.m. We're still working on our guest speaker, but hope to announce that soon. I look forward to seeing all of you there.

> Happy Roostertails to You All, Ron Daum

# CAMPBELL, GOSSLER POST WINS AT "ROGER RACE"

MAPLE VALLEY, Wash. — **Mike Gossler** and **Nelson Holmberg** both came to the Roger Newton Memorial on a mission.

To do exactly what Roger would've expected each of them to do. Compete.

Gossler came into the race within easy striking distance of Holmberg for second in the modern driver and third in boat points if everything went right for him.

Holmberg, assuming everything went as planned, had a chance to finish second in points for the first time ever.

When all was said-and-done, Gossler had a perfect day, winning each of the four heats he entered with the 1978 Miss Circus Circus – perhaps the last time he ran it in ERCU, as the boat is currently up for sale – and took home the Roger Newton Memorial title, and second place in the Red Dot Championship Series.

Holmberg, on the other hand, had a speed control go bad while he was leading heat 1A, and managed to finish third with the 2010 Formula Boats. In the second and third preliminaries, a measely little wire took him out as radio failures resulted from a connector wire in a pigtail to the switch broke.

Fortunately for Holmberg, just six modern boats were in attendance at the race, so he was able to run in the final and took second place.

To the second place.

In the end, Gossler said he had considered not even attending the event until **Bob VandenAkker** talked him into going.

Third went to **Craig Bradshaw's** 2010 Oh Boy! Oberto, with fourth going to **Nels Enquist's** 1972 Lincoln Thrift 7

1/2% Special. Fifth was **Jesse Shehan's** 1977 Squire, and sixth was **Ron Daum's** 2009 Grandview on the Lake.

With a total of 19 vintage boats at the race, there was plenty of good racing going on, and it provided for the opportunity to run two vintage connies before reaching the final.

Bradshaw won the second connie, commanding his 1958 Coral Reef around the Cherokee Bay race course. Second place went to Daum with the 1958 Wildroot Charlie, while third was Ryan Opfer with the 1955 Gale V, fourth was Monte Steere with the 1956 Slo-Mo-Shun IV, and fifth was Enquist with the 1959

Maverick.

The vintage first connie was another heat in which all the boats that started were able to finish.

**Robbie Roberts**, still dripping from a swim in Pipe Lake earlier in the day (more on that later), piloted his 1960 Miss Burien to a convincing win and a trailer start spot in the final.

VandenAkker was second with the 1966 Miss Lapeer, followed by **David**Newton with the 1968 "Checkerboard Comet" Miss Bardahl in third. Fourth place went to **Shawn McEvoy** driving Kirk Pagel's 1964 Miss Smirnoff, finishing ahead of **John Earnest's** 1962 Gale V in fifth, and Steere's 1954 Slo-Mo-Shun V in sixth

In the vintage final, **Mike Campbell** was the favorite, driving **Ben Keller's** 

1957 Hawaii Ka'i III, took the win. Second place was **Gerry Bordon** with his 1970 Parco's O-Ring Miss, followed onto the podium by Roberts, from the trailer. Gossler drove Campbell's 1968 Harrah's Club to a fourth place finish, subbing for the owner, who drove the Kai to the win. Unable to finish the final were Opfer, driving **Kerry Kjos's** 1960 Miss Thriftway, Holmberg, driving Opfer's 1975 Miss Vernor's and **Scott Fetterly's** 1968 Miss Budweiser.

Back to Roberts' little swim.

But back to Roberts' heroics. In vintage heat 3D, **Bill Smiley's** 1957 Miss Thriftway stalled during the mill near the exit to the right turn and began taking on water. By the time the heat was over, the boat had sunk to the bottom of the lake. It was Roberts who happened to have a

pair of swim trunks in his car and was able to recover Smiley's sunken hull.

David Newton was CD for the race, and he did a terrific job, unquestionably making his dad proud not only the way he ran the event, but also the way he ran the Bardahl.

Steere also provided a memory book of the Czar, and passed it around the pits for everyone to sign. All in all, it was a

Ben Keller's Hawaii Ka'i III won the Roger Newton Memorial final, with the Parco's O-Ring Miss finishing second. (Ben Keller photo) great remembrance.
